South America Committee

#JoinUs

The Regional Committee comprises a quorum of EIC member companies from across the energy sector value chain - i.e., suppliers of goods and services, EPCs, operators and OEMs across the region.

Access to expertise, unique networking opportunities and strategic discussion. The goal of the Committee is to create a channel for fresh insights and advice on solving business challenges and exploring new opportunities by stimulating robust, high-quality conversations.

Previous Experts participants:

- Hydrogen Market overview
- Drilling scenario in Brazil
- Global Energy Project Market Outlook
- Projects update with Ocyan
- Downstream scenario in Brazil
- Rio de Janeiro's Government Authority
- EIC Market Intelligence Director

Last Expert:

- Rafael Torres
