Printed editions at major events in 2025

Inside Energy's print editions are **strategically distributed at global energy events**, ensuring your ad reaches an audience of decision-makers and industry leaders.

Offshore Technology Conference (OTC)

5-8 May 2025, Houston, Texas

The world's largest offshore energy event, drawing professionals and companies from across the entire offshore oil and gas industry. OTC is a leading platform for discovering new technologies and trends in offshore exploration, production, and development.

OGA (Oil & Gas Asia)

2 - 4 September 2025, KL, Malaysia

OGA is one of Asia's premier energy events, showcasing the latest innovations in the oil and gas sector. The event attracts a wide range of industry professionals, including energy developers, suppliers, and engineers from across Asia and beyond.

Offshore Europe

2 - 5 September 2025, Aberdeen, UK

OE is a key event for professionals in the offshore energy sector, bringing together the leading companies and decision-makers from across Europe and the world. It focuses on offshore exploration, production technologies, and supply chain innovations.

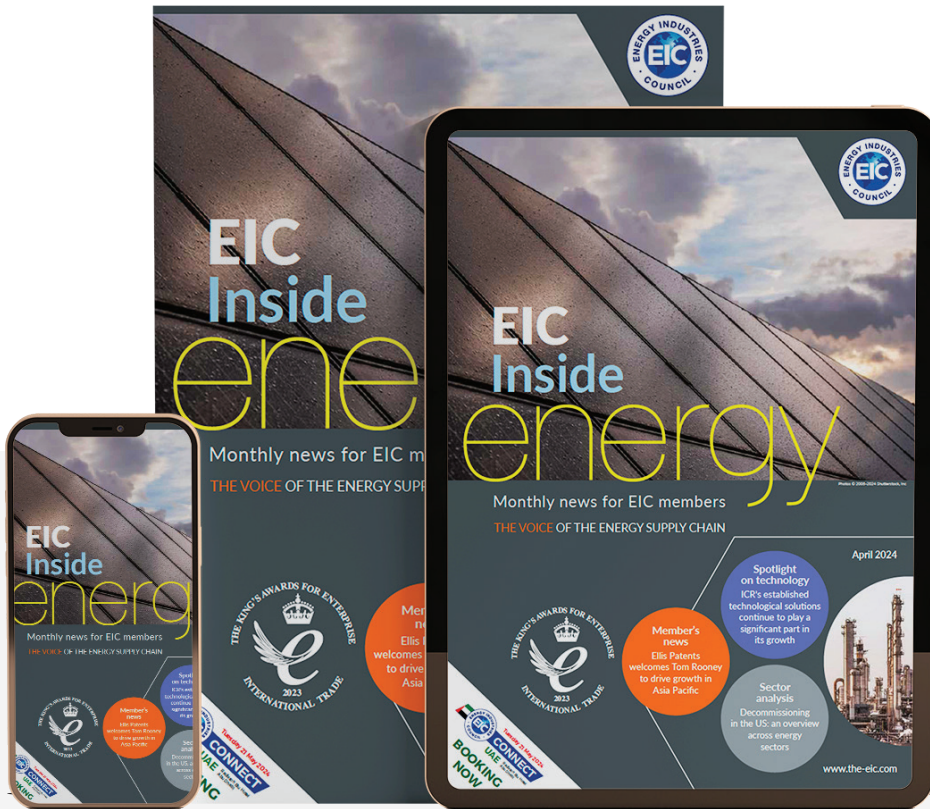

ADIPEC

3 - 6 November 2025, Abu Dhabi, UAE

ADIPEC is the world's largest and most inclusive energy exhibition, attracting over 150,000 attendees and 2,200 exhibiting companies. This event is a crucial gathering for the global energy community to showcase innovations and discuss the future of the energy sector.

Member benefits

Exclusive benefits for EIC Members

As a valued EIC member, you receive **exclusive advertising opportunities** that provide your brand with **maximum visibility**, all at **discounted rates**. Members enjoy numerous advantages when it comes to advertising with Inside Energy.

1. Free online advertising for Members:

As an EIC member, you do not pay for online advertising in Inside Energy. This exclusive benefit ensures your brand gets substantial exposure across multiple digital channels:

- **Landing page of Inside Energy** for **FREE**. This is a prominent spot on the Inside Energy section of the EIC website, offering excellent visibility for your brand.
- **Free Ads for Members**: Get your brand featured in this prime location, reaching thousands of professionals directly visiting the Inside Energy online edition.

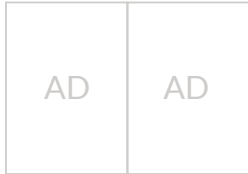

2. Discounted print advertising rates for Members:

These rates apply to our **special editions** distributed at **key global events** such as Offshore Technology Conference, Offshore Europe, Offshore Geotechnical Asia and ADIPEC (Abu Dhabi International Petroleum Exhibition & Conference) in 2025. Take advantage of this opportunity to **reach top energy professionals** in person at major industry conferences.
